SUMMARY

Motivated and detail-oriented Application Developer with 1 year of experience in iOS development and 1 year in web development. Seeking to leverage my technical expertise and problem-solving skills to contribute to innovative solutions, provide technical support, and build new capabilities.

EXPERIENCE

iOS Developer, ÀLA.HAUSSE (May 2023 – August 2023)
- Developed and maintained iOS applications using Swift and SwiftUI.
- Implemented new features and improved existing functionalities based on user feedback and business requirements.
- Collaborated with cross-functional teams to design, build, and test new capabilities.
- Provided technical support and troubleshooting for application issues.
- Utilized integrated development and test environments to ensure application stability and performance.
- Created technical documentation for new features and solutions.

Web Developer, WebcodeZ Infoway (Jan 2020 – Jan 2021)
- Designed and developed responsive web applications using HTML, CSS, and JavaScript.
- Implemented interactive UI elements and ensured cross-browser compatibility.
- Worked closely with UX/UI designers to create visually appealing and user-friendly websites.
- Conducted code reviews and collaborated with team members to improve code quality and performance.
- Provided technical support and maintenance for web applications.
